

EDUCATION

Afe Babalola University (ABUAD)
Bachelor of Engineering
Aeronautical and Astronautical Engineering
Expected Graduation: 2030
Current Level: 200 Level

PROFESSIONAL DEVELOPMENT (SELF-TAUGHT)

- Web Development
- Graphic Design
- CAD Design
- AutoCAD
- Autodesk Inventor

SECONDARY SCHOOL

Oritamefa Baptist Model School
Year Graduated: 2024

PRIMARY SCHOOL

Saint Isabel Primary School
Year Graduated: 2018

LANGUAGES

English ●●●●●
Igbo ●●●●●

INTERESTS

- Aerospace Engineering
- Software Development
- CAD Design
- Game Development
- 3D Animation
- Technology
- Entrepreneurship
- Engineering Innovation

CHIJINDU Nwigwe Francis

CO-FOUNDER • CO-CEO • CFO @ ALCHIVON

Aeronautical & Astronautical Engineering Undergraduate

Aeronautical and Astronautical Engineering undergraduate at Afe Babalola University (ABUAD), and Co-Founder, Co-CEO & CFO of ALCHIVON. Self-taught developer and designer with a passion for engineering, software development, CAD design and creative problem-solving. Builds across web development, programming, CAD modelling and modern engineering tools, and is currently expanding into game development, Unreal Engine and 3D animation.

PROFESSIONAL EXPERIENCE

- Co-Founder, Co-CEO & CFO** 2026 – Present
ALCHIVON
- Co-leading company strategy and direction
 - Financial planning, budgeting and resource management
 - Overseeing business operations and financial activity
 - Collaborating on product strategy and technical roadmap
 - Supporting engineering research and development
 - Driving growth, partnerships and company sustainability
- Self-Taught Developer & Designer** Ongoing
Independent practice projects
- Built and shipped five live demo websites
 - Writing interfaces in HTML, CSS and JavaScript
 - Working with Node.js, Python and C++ on logic and back-end
 - Producing engineering models in AutoCAD and Autodesk Inventor
 - Designing graphics and brand assets in CorelDRAW and Photoshop
 - Learning continuously across development and engineering

FEATURED PROJECTS

- ALCHIVON Website**
alchivon.com · [Live](#)
- Personal Portfolio**
portfolio-chijindu.alchivon.com · [Live](#)
- Demo Web Builds**
MediCare · LexFord · CreativeForge
FitElite · Interio · Five live demo builds
- Engineering CAD Designs**
AutoCAD & Autodesk Inventor
Mechanical & aerospace concepts
- Game Development**
Unreal Engine & C++ · [Currently learning](#)

TECHNICAL SKILLS

FRONTEND DEVELOPMENT	BACKEND & PROGRAMMING	ENGINEERING CAD	TOOLS & TECHNOLOGIES	CREATIVE SOFTWARE	CURRENTLY LEARNING
- HTML5 - CSS3 - JavaScript	- C++ - Python - Node.js	- AutoCAD - Autodesk Inventor	- Git / GitHub - Docker - Vercel - Postman - VS Code - Figma	- CorelDRAW - Adobe Photoshop - Blender	- Unreal Engine - Blender (Advanced) - Game Development 3D Animation

LEADERSHIP & ENTREPRENEURSHIP

Co-Founder, Co-CEO & CFO
ALCHIVON

Co-leading ALCHIVON, a multi-purpose technology company focused on web development, software solutions, game development, AI and digital products.

Business Strategy
Financial Planning
Product Management
Operations Management
Growth & Innovation

CORE COMPETENCIES

- Analytical Thinking
- Team Collaboration
- Business Strategy
- Engineering Design
- Communication
- Project Management
- Problem Solving
- CAD Design
- Innovation
- Leadership
- Financial Planning
- Time Management

SELF-TAUGHT LEARNING

Web Development
Graphic Design
AutoCAD
Autodesk Inventor

Continuous Learner

Entirely self-taught. No formal certifications.

ABOUT ME IN THREE WORDS

Disciplined
Innovative
Result Driven
